NEW CROFT LUXURY WINDOWS

Croft is delighted to introduce the Croft Luxury Window Range from Residence 9.

This bespoke window system replicates flush-sash 19th Century windows with its hand-made construction and traditional ironmongery options.

A great choice of heritage colour combinations are available. With a 9 chamber design and optional triple-glazing, this is one of the most energy-efficient windows available.

CROFT SASH WINDOWS

Croft can also install sash windows with all the features of original Victorian designs in any colour using the Kolorbond process.

As with all Croft windows, they are efficient, safe and durable and utilise the very best energy efficient glass.

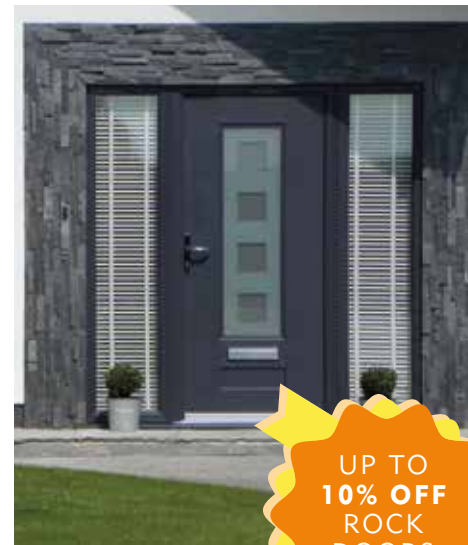

A COMPLETE HOUSE

Croft offers the complete package of home improvement products. Whether you require an orangery or conservatory, new windows, a door or roofline products, Croft are the trusted company to turn to for some or all of these products. We will happily visit you at home and compile a free, no obligation quotation. Alternatively, feel free to call in to our large showroom and see our wide range of products.

OUR HISTORY

Croft's history dates right back to 1874 when Thomas Croft founded Thomas Croft and Sons, the renowned building and engineering company.

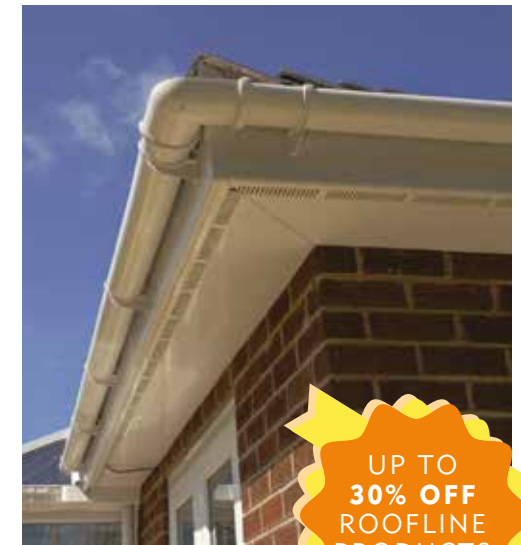

The company had a long and illustrious existence, building many of Preston's landmarks including the Town Hall and Municipal Buildings, as well as Blackburn Cathedral.
